Dear Members

It is membership renewal time once again. The deadline for renewal is October 31, 2017. This will give us time to process all application forms and send information to the CDAA in a timely fashion. Membership fees received after October 31st will be subject to a \$20.00 late fee. **Please note: to process your Level II license with the Newfoundland & Labrador dental Board memberships are required one month prior to Newfoundland and Labrador Dental Board licensure registration.**

Monthly meetings will be held at Keyin College, 44 Austin Street in St. John's. Members are always encouraged to attend and bring ideas for the upcoming year. Out of town members, please contact me to help you set up continuing education for your area. If you have issues or concerns associated to the NLDAA please contact me. If you are interested in receiving the minutes from the monthly meetings, it can be sent to you via mail or Email.

Please complete all fields listed on the membership application that apply to you. If you have an email address, please include this on your membership renewal form as it will be an easier way of contacting members.
