Dear Members,

It is membership renewal time once again. The deadline for renewal is October 31, 2020. This will give us time to process all application forms and send information to the CDAA in a timely fashion. Membership fees received after October 31st will be subject to a \$20.00 late fee. **Please note: to process your Level II license with the Newfoundland & Labrador dental Board memberships are required one month prior to Newfoundland and Labrador Dental Board licensure registration.**

Normally we would hold quarterly meetings at Keyin College and host a CE however due to Covid-19 we are still assessing the new specifications and protocols in regard to social distancing and infection control that will allow us to do so. We are hoping to have an update on this plan in the near future and will send out a formal letter with a plan. We continue to encourage members to email with any questions, or concerns at nldentalassistants@gmail.com. Wishing our members to stay safe and healthy during these uncertain times.

Please complete all fields listed on the membership application that apply to you. If you have an email address, please include this on your membership renewal form as it will be an easier way of contacting members.

******Due to COVID-19 we are encouraging that everyone tries their best to send EMT for payment for membership renewals. PLEASE READ CAREFULLY BELOW THE RENEWAL GUIDELINES!!!**

The email address for EMT is nldaaemt@gmail.com. The password you will use will be [membership2020](#). NO other password will be accepted. You **MUST** include your **FIRST** and **LAST** name in your EMT and you **MUST** also email your completed membership application to the same email address. If these guidelines are **NOT MET**, then your EMT will be **DECLINED**.

Please note EMT will only be accepted during membership renewal period. Memberships and receipts will be emailed within 7-10 business of the email being received.

If absolutely unable to send an EMT, you must send certified cheque or money order to:
