September 22, 2021

Dear Members,

It is membership renewal time once again. The deadline for renewal is October 31, 2021. This will give us time to process all application forms and send information to the CDAA in a timely fashion. **PLEASE REMEMBER:** There is **NO** membership fee for this year. Although there is no fee, you are still required to complete and send in the application form. It can be sent by mail, but preferably sent by email as this is the most efficient way to process memberships. **Please note: to process your Level II license with the Newfoundland & Labrador Dental Board memberships are required one month prior to Newfoundland and Labrador Dental Board licensure registration.**

Normally, we would hold quarterly meetings at Keyin College and host a CE – however, due to Covid-19 we are still assessing the new specifications and protocols regarding social distancing and infection control that will allow us to do so. We are hoping to proceed with more Zoom CE courses as this has been quite successful. As always, we will keep all our members updated by email. We continue to encourage members to email with any questions or concerns at nldentalassistants@gmail.com. We are wishing our members to stay safe and healthy during these uncertain times.

Please complete all fields listed on the membership application that apply to you. If you have an email address, please include this on your membership renewal form as it will be an easier way of contacting members.

The email address for APPLICATIONS is nldaemt@gmail.com Membership cards will be emailed within 7-10 business of the email being received. If you are applying by mail, you can expect a longer wait period.

Please see our mailing address below:
